FORMAL REQUEST FOR QUOTATION (RFQ) - TECHNICAL PROCUREMENT SPECIFICATION

Subject / Component:	Precision CNC Machined Aluminium Mounting Bracket (Housing Mount)
Drawing Reference:	GPE-MB-2026-REV3 (CAD/3D model available on NDA execution)
Target Order Quantity:	5,000 pieces (Initial Production Lot)
Requested Delivery Period:	30 days from purchase order confirmation
Delivery Destination:	Vadodara Central Warehouse, Gujarat, India
Primary Material Grade:	Aluminium 6061-T6 (Raw material test certificate required)
Mandatory Processes:	4-Axis or 5-Axis CNC Milling, Precision CNC Turning
Mandatory Quality System:	ISO 9001:2015 certification (IATF 16949 preferred)
Target Unit Price:	Quotations invited from qualified suppliers (Indicative budget: INR 480.00)

TECHNICAL CAPABILITY & QUALITY REQUIREMENTS:

1. Feasibility: Supplier must manufacture component strictly adhering to approved drawing GPE-MB-2026-REV3.
2. Inspection: In-house Coordinate Measuring Machine (CMM) inspection report mandatory for pilot lot.
3. Traceability: Laser marking / batch QR code serialization required on all delivered parts.
4. Rejection Policy: Target zero-defect quality with maximum allowable PPM < 200.

COMMERCIAL TERMS & NOTES FOR BIDDERS:

- Payment terms: Standard Net 30 Days preferred after incoming inspection and quality clearance.
- Note: Surface finishing specification (anodizing grade/color) to be finalized during technical review.
- Suppliers with manufacturing facilities in Gujarat or Western India manufacturing corridors prioritized.
